LEN RINALDI

"BREAKING ALL THE RULES"

(reception to follow)

In London

Len Rinaldi – Apple’s Managing Director for Western Europe Sales

Len is currently the Managing Director for Western Europe which includes 13 countries geographically spread from Iceland to Italy.

For the previous five years he was the CFO for Apple’s EMEA (Europe, Middle East, India, Asia) – presiding over the successful launch of amazing and magical products such as the iPhone and iPad. He has previously worked with AT&T and Lucent Technologies in a series of Sales and Finance roles and has lived in Saudi Arabia, Singapore, Paris and London. Len holds an MBA in Finance and was born in New York City. Len and his family currently reside in London.
