by the Institute of Historical Research and the University of Notre Dame, with the collaboration of the Centre for Global History, University of Oxford

## **Sounding China's Maritime Past: in search of Joseph Needham's enduring legacy**

by Leonard Blussé

(Emeritus Professor of the History of European Relations  
with China, Leiden University)

More than four decades of scholarship and debate have unfolded since Needham and his collaborators produced challenging views on the long history of Chinese navigation and water management. Is now the time to write a general history of China's maritime past? Professor Doctor Blussé suggests how the subject could be addressed.
