

# Ninth Annual

## Notre Dame Alumni-Student London Lecture

Presented by

Notre Dame Club United Kingdom - London  
and University of Notre Dame London Global Gateway

### Mark H Robson

(Head of Statistics and Regulatory Data Division, Bank of England)

asks

### What's New at the Bank of England?

How its new strategic plan reflects global financial developments

Mark Robson joined the Bank of England in 1995. He is a board member of the Higher Education Funding Council for England, honorary treasurer of the Royal Economic Society, and a member of the governing councils of the Institute for Fiscal Studies, the Centre for the Study of Financial Innovation and the Science Council. Mr Robson's previous roles include HM Inspector of Taxes, Government Economic Adviser, IMF Expert Adviser to the Royal Thai Finance Ministry, and senior manager with KPMG. He has also held various positions at British academic institutions, most recently Vice Chairman of London Metropolitan University.

Monday, March 2, 2015      6:00 p.m. Trafalgar Hall  
1 Suffolk Street, London SW1Y 4HG
