THE ART OF ADVISING – ART LAW IN PRACTICE

- WHERE DOES IT COME FROM?

- IS IT GENUINE?

- IS IT LOOTED?

Friday 9 October 2015
Notre Dame University London
1 Suffolk Street, London, SW1Y 4HG

From 2pm to 5.30pm, followed by a champagne reception until 6.30pm

The art world can appear to be a minefield for buyers and sellers alike. With the volume and value of art transactions increasing every year, having the right legal expertise is more important than ever, particularly when jurisdictional differences between France and the UK also come into play.

At this Franco-British Lawyers Society conference, experts from the UK and France will share their knowledge and experiences of working within the captivating art world. Expert panels will discuss the restitution of spoliated art-works as well as the issue of authenticity. The final session will address recent cases and developments.

The event is free of charge and is accredited for 3 hours CPD points with the SRA, the Bar Standards Board and the Ecole de Formation du Barreau

To reserve a place, please email the Administrator at fbls@outlook.com. Numbers are limited and registration will be on a first-come first-served basis
