London Research Development Grant Proposal Title (required) Project Director(s): Name, Department/center/institute affiliation, and e-mail address (required) ND Project Director: ND Project Co-Director: ND Project Co-Director: Indicate which option you are applying for: (required) Option 1: Planning meetings with UK/European research collaborators with the express aim of pursuing a joint grant proposal Option 2: Supporting an existing faculty-to-faculty collaboration in a way that promises a significant advance in establishing or deepening a joint research project Option 3: Grant to host a colloquium with UK university (with equal cost share from that institution) Option 4: Designing a collaborative project that clearly advances the University's strategic framework Summary Statement (option specific): (required) Limit: 600 words

Option #1: Provide information on the UK/European Researchers who will work on the proposal, what their institutions are, the ND Pl's history of engagement with them, the indicators suggesting that meetings might successfully result in a joint proposal which in turn may be successful in gaining joint funding. Indicate what joint funding mechanisms you are considering applying for.

Option #2: A summary of the research project and the UK PIs and institutions involved. Are there any external funding opportunities with the potential to support this collaboration long-term? If so, please elaborate.

Option #3: A summary of the colloquium planned, the co-hosting UK university, list of participants and tentative

Option #4: A summary of the collaborative project and the UK PIs and institutions involved
