- ☐ Religious Freedom
- ☐ Collective Trauma and Collective Healing
- ☐ Mental Health of Veterans
- ☐ The Moral and Religious Dimension of Security
- ☐ None

Please provide a summary description of the project. (required)

Limit: 2000 words

Please write your proposal in a manner that it can be understood by a wide audience.

Provide an overview of the project activities, including its goals and purpose AND refer to the evaluation criteria as you complete your summary description.

Are you applying here to scale-up a project previously funded through the ND-UCU Faculty Research Collaboration Grants?

(required)

Yes

Those who are eligible to apply for a scaled up project are among those you were awarded funding during the 2022-2023 (<https://global.nd.edu/faculty-research/grants-and-funding/ukrainian-catholic-university-faculty-collaborations/notre-dame-ukrainian-catholic-university-faculty-collaboration-research-program/nd-ucu-faculty-collaboration-grant-awardees/funding-cycle>).

Describe your previous ND-UCU Research Collaboration project, its original objectives and the outcomes achieved. (required)

Limit: 1200 words

Did you obtain any additional external funding (i.e., funding outside of ND or UCU) for this original project? (required)

☐ Yes

☐ No

If you obtained additional external funding (i.e., funding outside of ND or UCU) for your first project, please detail below:

How do you plan to scale-up the original project? (required)

Limit: 1000 words

What are the significant differences from the original project? How does it build on that original project? (required)

Limit: 500 words

What are the significant anticipated outcomes from this scaled-up project? (required)

Limit: 500 words

Why should this be funded? (required)

Limit: 225 words

List any future external funding (i.e., outside of ND and UCU) opportunities that may be appropriate for this project. Include the maximum award offered by those opportunities in US dollars.

(required)

Provide links to the funding opportunity(s) in your response.

Identify if there are any restrictions with these external funding opportunities based on citizenship, residence of the PI and/or co-PI, research site and/or other restrictions. (required)

Citizenship restrictions among application criteria will impact eligibility and determine who can apply for funding opportunities.

For example: Are the funding opportunities available to any applicant (citizens of all countries) or only available to citizens of certain countries (e.g., the EU or associated countries, which could include Ukraine) or the US only?

Describe where the research will occur (e.g., institution, sites, libraries/archives, etc.). (required)

Limit: 250 words

Project Start Date (required)

Project End Date (required)

Name each investigator and describe briefly their areas of expertise relevant to the project. (required)

Limit: 500 words

Please indicate if students will be involved in the project. If so, please provide the institution (ND or UCU), student status (undergraduate or graduate) in addition to a description of their involvement. (required)

Will this research involve human subjects or data related to human subjects? (required)

- ☐ Yes
- ☐ No

Will this research involve animals? (required)

- ☐ Yes
- ☐ No
