

Grant Program - ND - INSPER Joint Research

Privacy Notice: The information on this form will be used by INSPER and the University of Notre Dame (ND) for the administration of the ND-INSPER Joint Research Program. In submitting this form you consent to the information you provide being held and processed by INSPER and Notre Dame Global for the purpose specified above. (required)

☐ I agree

Project Title (required)

First and Last Name of the ND Principal Investigator (required)

ND Principal Investigator's University Email Address (required)

email@example.com

Department/Institute/Center Affiliation of ND Principal Investigator (required)

First and Last Name of the INSPER Principal Investigator (required)

Email address of the INSPER Principal Investigator

email@example.com

Academic Unit of Insper Principal Investigator (required)

First and Last Name of ND Co-Principal Investigator (if applicable)

Department/Institute/Center Affiliation of ND Co-Investigator (if applicable)

First and Last Name of ND Co-Principal Investigator (if applicable)

Department/Institute/Center Affiliation of ND Co-Investigator (if applicable)

First and Last Name of INSPER Co-Principal Investigator (if applicable)

Academic Unit of INSPER Co-Investigator (if applicable)

First and Last Name of INSPER Co-Principal Investigator (if applicable)

Academic Unit of INSPER Co-Investigator (if applicable)

Have the ND Investigators and the INSPER Investigators collaborated before? (required)

- ☐ Yes
- ☐ No

Abstract of the Project for which you are applying (required)

Limit: 250 words

Please provide a summary description of the project. (required)

Limit: 2000 words

Please write your proposal in a manner that it can be understood by a wide audience, i.e., make sure those outside your discipline can understand.
Provide the theoretical framework, research questions, methodology, justification for project, potential risk factors and strategies to minimize and core references

Describe the anticipated deliverables or outcomes from this project. (required)

Limit: 500 words

Is this research novel/original? (required)

- ☒ Yes
- ☐ No

Explain what is original/novel about the research. (required)

Why should this project be funded? (required)

Limit: 225 words

List any future external funding opportunities (i.e., outside of ND and INSPER) that may be appropriate for this project. Include the maximum award offered by those opportunities in US dollars.

(required)

Provide links to the funding opportunity(s) in your response.

Identify if there are any restrictions with these external funding opportunities based on citizenship, residence of the PI and/or co-PI, research site and/or other restrictions. (required)

Citizenship restrictions among application criteria will impact eligibility and determine who can apply for funding opportunities.

For example: Are the funding opportunities available to any applicant (citizens of all countries) or only available to citizens of certain countries (e.g., Brazil or the US only)?

Describe where the research will occur (e.g., institution, sites, libraries/archives, etc.). (required)

Limit: 250 words

Project Start Date (required)

Project End Date (required)

Name each investigator and describe briefly their areas of expertise relevant to the project. (required)

Limit: 500 words

Please indicate if students will be involved in the project. If so, please provide the institution (ND or INSPIRE), student status (undergraduate or graduate) in addition to a description of their involvement. (required)

Will this research involve human subjects or data related to human subjects? (required)

☐ Yes

☐ No

Will this research involve animals? (required)

☐ Yes

☐ No

Has this project already been through compliance review? (required)

☐ Yes

☐ No

Please upload a current CV for both the INSPER and the ND Investigators (up to a total of 6). (required)

Choose File

Select up to 6 files to attach. No files have been attached yet. You may add 6 more files.

Acceptable file types: .csv, .doc, .docx, .odt, .pdf, .rtf, .txt, .wpd, .wpf, .gif, .jpg, .jpeg, .png, .svg, .tif, .tiff

What is the total amount of funding you are applying for (in \$US)?
(required)

Note that \$1 is approximately equal to \$5BRL

What is the amount that the ND Investigator is applying for from ND (in \$US)? (required)

Note that \$1 is approximately equal to \$5BRL

What is the amount that the INSPER Investigator is applying for from INSPER (in \$R)? (required)

Note that \$5BRL is approximately equal to \$1

Please upload the budget using the provided budget template.
(required)

Choose File

Upload a file. No files have been attached yet.

Acceptable file types: .csv, .doc, .docx, .odt, .pdf, .rtf, .txt, .wpd, .wpf, .gif, .jpg, .jpeg, .png, .svg, .tif, .tiff

You will be asked to provide budget justification below

Please provide budget justification. (required)

If any Principal Investigator has any additional resources to contribute to the project, please provide details:

Has, or will, this new proposal receive(d) funding from any other sources (internal or external)? If so, you are required to list the funding source (s) Principal Investigators, the co-Principal Investigatorss, the date(s), the duration and the amount funded.

(required)

Will this proposal be submitted (or has it already been submitted) to any other internal or external funding source? If so, you are required to list the funding source(s), the investigators on the proposal, the date of submission, the duration and the amount.

(required)

Any additional comments?

By applying for this funding, we agree that ND Global/Notre Dame Research and INS PER may, at their discretion seek

- ☐ **confidential administrative review of the proposal from other university funding units.**

(required)
